Features and Benefits:

- **Legett and Platt Mechanism:** The **ComfortRise** features a premium-quality mechanism from **Legett and Platt**, renowned for its **quiet, effortless movement**. Whether reclining or rising, the chair operates smoothly and silently, offering an enhanced experience for users who need easy mobility assistance.
- **Exclusive Dunlop Foam Range:** With **Opulence** and **Energex** foams, the **ComfortRise** guarantees superior comfort and durability. These high-performance materials provide the perfect balance of support and cushioning, tailored to offer long-lasting seating comfort.
- **Covering Options:** Choose from **vinyl, fabric, or leather** to suit your environment, all featuring **fire retardant capabilities** and **infection control vinyls** for added safety and ease of maintenance.

Why Choose the ComfortRise?

- **Empowering Options:** With three main size options, and a choice of high-quality covers, the **ComfortRise** offers flexibility and customization to meet a wide range of mobility and comfort needs.
- **NDIS-Approved Solution:** Tailored for the NDIS and disability market, this chair is designed to make a meaningful difference in the daily lives of individuals who require mobility support.
- **Quiet, Effortless Movement:** The **Legett and Platt mechanism** ensures quiet and smooth operation, reducing strain on users and caregivers alike.

The **ComfortRise** is more than a chair—it's a statement of independence, comfort, and quality, offering individuals the power to choose the best solution for their needs. Empower your space with the versatility and style of the **ComfortRise Chair** from Oz Interior by Design.
